Address of residence

List your current address abroad. Please note that the address must match the proof of residence. Make sure to enter the correct suburb and postcode (Example: 503 Waterloo Street, Newstead, 4006).

Step 2 – Check your Registration Data

The screenshot shows the 'Fast It' portal for the Ministry of Foreign Affairs and International Cooperation. The user is logged in as 'Jane Emily Doe'. The breadcrumb trail is: Home > Consular Offices and Institutions > Consular registry and A.I.R.E. > Registration in the Registry of Italian citizens residing abroad (AIRE) > A.I.R.E. registration request form. The main heading is 'A.I.R.E. registration request form'. A notice states: 'NOTICE: This account is linked to the CONSOLATO D'ITALIA BRISBANE'. Below the notice are five tabs: 'Registration data' (active), 'Personal data', 'Data of the family members included in the relocation', 'Summary and acceptance', and 'Document upload'. The 'Registration data' tab shows a form with the following fields: Name (Jane Emily), Surname (Doe), Gender (Female), and Date of birth (01/01/2000). To the right of the form is a vertical progress indicator with five steps: 1. Registration data (active), 2. Personal data, 3. Data of the family members included in the relocation, 4. Review and acceptance, and 5. Document upload.

Begin your AIRE application

Start your application by clicking "Consular Registry and A.I.R.E.", then click on "Request registration with the Registry of Italians Residing Abroad". If you are changing your address within the same consular district, select "Report a change of Residence".

Edit your details

By clicking on your profile in the top-right corner, you can update your personal information (name, surname, date of birth), username, email address and password.

Name and surname

Make sure your full name is correctly listed according to your official documents. Multiple given names (and middle names, if applicable) are considered part of the first name.

Step 2 – Check your Registration Data

Step 5 – Document upload

You have filled in all the necessary information to generate the AIRE registration form correctly.

Generate and save the application form (pdf)

In order to continue and complete your request, you need to:

1. Download request form
 - Print the generated file and sign it
 - Scan the signed documentor
 - Digitally sign the PDF request form without printing it. For more information on how to properly digitally sign, please visit the [Agid](#) website.
2. Scan a valid identity document, and, if there are cohabiting family members, add their ID documents, possibly to the same file. If any minor child is included, it is recommended to upload the identity documents for both parents.
3. Scan a document proving your residence in the consular district (e.g. residence certificate issued by the local authority, residence permit, foreign identity card, utility bills, etc. Please check the consulate's official website Consular Office).

When you have the three files, i.e., the scan of the signed application form, the residence document and the valid identity document (.pdf or .jpg format, max size 1 MB), return to the service request page to conclude the application.

For any necessary checks, the consular office reserves the right to also request the transmission of the original A.I.R.E. form.
